Subject: For Andrew on November 30, 2007

Happy Nameday, Andrew!

November 30 is your nameday. Your patron saint is St. Andrew. He was a fisherman on the Sea of Galilee. He used a boat like the small boat we gave you and your father last March after we returned from our pilgrimage to the Holy Land in the Middle East. St. Andrew lived a long time ago; he was the brother of St. Peter. He met Jesus and became one of his followers. We hope that one day you will learn about Jesus and also become his follower.

Love and prayers,

Grandpa Richardson and Grandma Richardson
